Unit 76 Trophy Elk Outfitting Business for Sale

This is a small outfitting business with loads of potential. Experienced hunters know that Unit 76, located between Creede and Pagosa Springs, Colorado, is one of the best trophy elk hunting units in the state. Hunters wait for up to seven or eight years for one of the prized tags to hunt in Unit 76. When hunters are fortunate enough to draw, they hire an outfitter! No sense in wasting that precious tag on a do-it-yourself hunt.
